Additional Notes: _____

Wayne/Big Schatz Construction, lots of work currently, brought up CNG's new operator qualified excavation on open trenches. CNG discussed their program only applies when digging for CNG.

Nancy/Traffic Control Consultants says not enough flaggers locally with all the work. She wants to talk with someone regarding the safety of her flaggers during blowing gas incidences.

Trevor/Becon Engineering very busy doing all types of work.

Ron/Bend Broad Band very busy. Ron asked if a private locator can locate in the ROW legally. Answer is yes if you hire a private locator to mark a specific utility. Private Locators cannot mark other utilities than the company who hires them.

Mike Edwards/City of Bend brought up K&E calling in many locates for the same job.

Roats very busy. Some confusion on their system and the other water ownerships currently as things change.

Roger/Avion working on McClellan Rd upgrade to the water lines. _____

Barry Zelmer/ODOT reported Robert Morrow is retiring end of this month. Mike McClain will be taking over. ODOT maps are now available online to the public. Email Barry for the link.

Michelle Tyree/Avista was visiting from Klamath Falls and discussed some of the processes they created to talk at OUCC meeting they hold in their region. They have bought 4x6 size signs and given 4 to each member to hang within their region. They move them around town quarterly. _____
