

DCUCC Monthly Meeting- June 4th, 2019
Meeting location- Splitz Family Grill, 2400 Diamond Lake

CALL TO ORDER: The Meeting was called to order by Ryon at 1208 PM on Tuesday June 4th

Officers Present: Ryon Kershner, President
John Bastianelli, Secretary
Ryan Forsloff, Treasurer

Officers Absent: Vernon Dozier, Vice President

Old Business Review

New Rule books are out, we have been distributing, ask if you need more.

Things to improve for next contractors' breakfast, put sweatshirts away after we start presentation, move greeter's booth back from door. The new prize format had minimal complaints compared to the time saved.

Concerns were brought up by Vernon about Mars Construction having a marking schedule with Locating Inc, then disregarding said schedule, they then had a failed attempt to locate it themselves before they began excavation prior to the locator arriving for the scheduled time. In addition, Avista has filled an RAA with Mars.

Ryan is in the process of talking to the planning department to see how they can help us raise awareness for 811.

2019 State taxes have been submitted. Have to file extension.

November ODoT Training (5-10min speech about new rules, stick around for a bit to answer questions, probably will have left over t-shirts etc. to give away)

Treasures Report: by Ryan : Balance as of 6-4-2019 is 2987.16 (+250 homeshow deposit)

Motion made by Daryn and seconded by John H to accept old business and Treasures report. Passed unanimously

New Business (If you have new business you'd like added to the minutes prior to the meeting, please email johnb@rusa-or.org)

Tailgate meetings with work crews for 811 training. Need to coordinate. Knife River has requested training with their crews, waiting to hear on a good date. Mars Construction and Sam Robinson have been suggested for needing training. Mars was recently found uprooting trees with excavators on SYLVAN VISTA CT without locates on 5-22-19. The two employees that were onsite were provided standard manuals, they stopped their excavation and called a locate.

Discuss purchase of a PA system, smaller portable ones can be found online for \$150-\$400

Pre-ordered Spanish 811 standard manuals.

Motion: made by Ryan and seconded by Daryn to accept new business. Passed unanimously

Dates to remember:

Work reports

PPL- Tricity feeder line from riddle. Shadow Ranch, Plateau repairs. Delray to S-curve trench in r/w.
