

**Standards:** Refer to the new manual.

**Damages:** Weed eater hit gas line on Highway 20. None reported in the system.

**State:** Locator training is coming up in Eagle Crest on 6/10 – 6/11. State meeting is also that day. Larry said that Joyce will be going. If Joyce wants to represent ELUCC council made a motion to pay for 1 night hotel, mileage and up to \$50.00 in food; 2<sup>nd</sup> and all-in-favor.

**Old Business:** Dinner was good and very well attended. Service was just okay. Should we consider also having some non-alcoholic beverages included with the meal? Everyone think about new venues and catering for next year. The Halsey Grange and Albany Eagles were suggested. Ideas? Bring them to the next meeting. We also had good feedback on the mobile ITIC app (that's not an app!). Very good demonstration by Kenny. Thanks Kenny! Also talked about the speedway sign.

**New Business:** Linn County Fair. Need Volunteers. Contact Joyce Nelson! July 18 is Sweet Home Safety Days. Brownsville Pioneer Pick nick coming up. LBUCC is getting Jennifer Cable a gift card for all her and her family's work on the contractor dinner. Motion made to add \$100 to the gift card from ELUCC. 2<sup>nd</sup> and all-in-favor. Lynn will pick up a card and purchase the Visa Gift Card. Fall Breakfast> When do we want to do it? Is the caterer still available? Tom will talk to Tobin. Also, when is hunting? Might want to try to avoid the hunting seasons.

**Projects:** As discussed. Email them to Frank if you'd like them included in the minutes.

Minutes taken by ELUCC V.P.
