Old Business: The Dinner is all on track. Starts at 6 dinner served at 6:30. Hope many can come? Man that IS Old Business. I really need to get these minutes out earlier. Yikes!

New Business: L.C.R.D. will be sponsoring a Safety Training and Skills Demo at the Linn County Fair and Expo Center on Sept. 15th, 16, and 17th, 2015. Frank and Kenny both said they can help at a table during that time. Yamhill County is having a Fishing Derby in the near future. Date to me is not yet known. As of the time these minutes are being written Bi-Mart already had one of their fishing Derby's at Timber Linn Park. I was there and its pretty fun. They are having another one real soon and I will try to find out when. Maybe we want to do a table? This one has a cost of \$1.00 per entry for the derby and I believe the profits go to the ABC House. But I will find all that out to see if we are interested. If nothing else you should take your kids/grand kids or some child! Its really a lot of fun and tons of prizes for the kids. And yes Larry there are some for the Adults!

Projects: Please E-mail any new projects to Frank at ffrenzel@ci.lebanon.or.us. City of Lebanon is in the middle of a reconstruction on E. Vine St. from Williams to the E. end of Vine. Should finish up late June early July. West Oak St. will also be reconstructed with most utilities being redone. This will be from Airway Rd. to Williams. The Project should be starting shortly after school is out and the Strawberry Fair is over. Wildish will be the General

Next Meeting:
