

# ELUCC MEETING MARCH 3rd, 2016

The meeting was called to order by President Kevin Hamilton. The minutes were accepted as submitted.

**Treasurer's Report:** \$Sorry I must have had a mouth full of food and never got the Report down! ☹

**Damage Report:** No Damage Report this month.

**Standards Report:** Tobin volunteered to do the Standards for us. With that said Jim Ableman said that this would work out good seeing how Tobin seems to be the only one here with any type of Standards! Lynn commented with a "Excuse Me!" I agree Lynn.

**State Council Report:** The State Meeting was held on the 9<sup>th</sup> of March in Sherwood. Joyce will inform us at the April Meeting on what took place. Thank You Joyce.

**P & E Report:** The Breakfast went very well more then 128 people attended with at least 78 of them contractors. What a hit. And a BIG Thanks to Ken Lamb and his helper for a Great meal. The ham was outstanding! As well as everything else! Again Great job to Ken for the food and all who turned out to help!

**Old Business:**

**New Business:** The dinner will be May 20<sup>th</sup>, 2016 at Trysting Tree Golf Course. We will be sending out a Survey Monkey on 3 choices that we want members to vote on to have. I am not sure what the three were? (I was busy eating and trying to take minutes. Sorry)

**Projects:** Please E-mail any new projects to Frank at [ffrenzel@ci.lebanon.or.us](mailto:ffrenzel@ci.lebanon.or.us).  
**Linn County has two big projects coming up.** Aug. 1<sup>st</sup> to Oct. 1<sup>st</sup>, Hwy 20 will be shut down around the Sheep Creek area for road repairs. Then this summer they will be doing improvements to the Quartsville Road area. Adding wider roads with more turn outs, keosies, and better or more camping spots! This will be about 17 miles of road work. Nice. The City of Lebanon hopes to break ground on our new Water treatment Plant this summer!

**Next Meeting:** Will be at the Elite Korner Kitchen in Beautiful down town Lebanon on April 7th, 2016. See you then.
