

ELUCC Meeting June 7th, 2018

PO Box 582, Lebanon, Oregon 97355

The meeting was called to order by Secretary Frank Frenzel, minutes were read/reviewed, motion by Kevin Schiedler to accept them, 2nd by Stan. Voted on and passed.

Treasurer's Report: \$5,46.93

Damage Report: There are always damages! That's why we keep doing what we do. There weren't any reported hits in our district.

Standards Report: Frank talked about not getting locates from CenturyLink. It seems like every time we call for locates on 2nd street they never come out and locate there. 2nd St. is a known area for their fiber! We have NO idea why they never come out. This happened twice this last month. The 1st one we went into their office and in person requested the locate. None ever came. We held off an extra day and still NO locate. The 2nd time we were unable to find anyone in the local office. Frank made a few calls before contacting someone and requested the locates be made. Waited a day.....No locates. Frank is very familiar with the location of their fiber and we proceeded with caution. A complaint will be filled next time it happens. Stan read from the Manual Chapter 95 Division 1, Responsibility. Thanks Stan!

State Council Report: The President's Meeting will be in August at Eagle Crest. More to come next month.

P & E Report: Larry, Joyce, and Frank did the Lebanon Safety Days. Than Larry and Joyce proceeded to Sweet Home for an Open House at a Hardware Store. Ace? Linn County Fair is coming up in July. LBUCC????? Any takers? Joyce will check on all the particulars on it. The dinner seemed to be ok. Some food overdone, took a bit to get our dinner, people seated by the open to the bar said it was pretty noisy. They were doing Karaoke which made it pretty loud.

Old Business: ??????

New Business: Our Elite Meeting Place the Korner Kitchen will be closing. This means out next meeting will not be there! We will have our next meeting at the Big Town Hero located at 11 East Ash St in Lebanon. It is on the NE corner of Main St. and East Ash St.

Projects: Still a lot of work going on at Russell Rd. and River Dr. Lebanon is trying to rap up the road relating to all the infrastructure going in for the new Water Treatment Plant. Please E-mail any new projects to Frank at ffrenzel@ci.lebanon.or.us.

Next Meeting: See New Business.
