June meeting called to order by Vice Pres./Treasurer Troy Klein at 11:45 am

ATTENDEES: See attached listing.

REPORTS FOR: July 23rd, 2014 MEETING

Treasurer's Report:

	<u>Visa</u>	<u>M Bank</u>	<u>Payments / Purchases / Income:</u>
Beginning Balance		\$ 9,679.53	
	\$	\$ -2,016.72	Golf Tournament Expenses
		\$ 4,173.72	Golf Tournament Sponsorships/Fees In
	\$	\$ 11,836.53	

Ending Balance

As a non-profit organization, all monies collected go for supplies/events to educate the public about 811!
Our ending balance (all accounts) must be under \$5,000 at the end of the year or we will have to pay taxes.

Damage Report: See attached. **Don't forget to submit your reports if you are behind!**

Be sure to report your damages by the 20th of each month! You can still go back and report for past months this year. We need at least five (5) entities reporting monthly to receive funding from the OUNC each year.

The Common Ground Alliance (CGA) encourages the use of their Damage Information Reporting Tool (DIRT). You can check this out at www.cga-dirt.com

NOTE: We would like to see all who call for locates and do construction within the Tri-County area submit reports. It only takes minutes!!

P&E Report (Publicity and Education):

P&E General: Send your ideas to [Don Patterson \(click here\)](#) and [Trevor Voris \(click here\)](#)

P&E New:

In September, we will be having a guest speaker at our monthly meeting. We will be requiring as RSVP to that meeting to make sure we have enough seating for everyone. MUCC will be purchasing the lunches of everyone. James Newell of Penhall has volunteered to give us a presentation on GPR – Ground Penetrating Radar and X-ray locating. This will be a good presentation and we hope many will come to learn and ask questions.

Per Bryan Baxter, there is an "Old Fashioned Festival" this weekend in Newburg. It is being sponsored by Mid-Willamette UCC and Yamhill UCC. They are creating a float of a house with an AstroTurf yard, and utility locates painted on the "grass", to help demonstrate Call Before You Dig.

Troy Klein will see if we are still able to sponsor the NW Builders College golf tournament. There was a motion to sponsor up to \$300 for either a hole sponsor or another sponsorship.

MUCC will go in and sponsor the HOPS with Mid-Willamette UCC and Yamhill UCC for the remainder of this season and next year.

The 10th Annual Golf Tournament was a great success. We had 14 teams and lots of prizes to give away.

Winners for first place were: . After the tie-breaker, the Winners for second place were: . Winners for third place were: . Women's KP and Long Drive were won by Stephanie Baxter The Men's KP was won by , and the Men's Long Drive was won by . Next year, the date will be Friday, July 17th, 2015.

News from Bryan Baxter: we can order a banner for the MUCC through Pacific Marketing for \$120. He also

said that the OUCC Board has approved the purchase of Table clothes for each of the UCC's. They will place the order and each UCC may get a chance to submit their own artwork/logo to be added to the covers.

P&E Old:

Don Patterson is looking to get a list of ball teams from each of the Tri-Counties so we can sponsor a team from each County.

CRW is having a function on Aug 16th. They would like to have the 811 booth & giveaways at their event...contact Tracy Oberacker.

There is discussion about looking into items with MUCC/811 on school supplies for back to school after this summer. Jarrod mentioned that there is an 811 video that is geared for 3rd to 5th graders that could be viewed at the schools by staff and students. We could have Pee Chee folders with our logo and/or other info printed on them and add some filler items geared to the appropriate ages of the students.

The Association of Builders and Contractors Inc is putting on the NW College of Construction Golf Tournament on August 1st (a Friday). They are looking for sponsors in amounts ranging from \$200 up to \$3,000. We are considering a Level 2 or 3 sponsorship. The KP or Long Drive is \$200 and would put our logo on the sign.

Pacific Marketing (our OUNC product vendor) is creating a new company store online with pictures of the items we will be able to order. These items will still be free to us, but you will see the price associated with each item that the OUNC is paying to have them for us.

The OUNC Board is putting together a new committee for Damage Reporting. They will meet either July 25th or August 1st from 10 a.m. to 12 p.m. at Century Link at 1762 W 2nd Ave, Eugene OR. They are going to use a virtual DIRT reporting system. Currently, reporting damages is voluntary. At this first meeting, they will identify who will be the head administrator (who will grant permissions for use) and which fields are needed in reporting.

Per Adam Franco's report – the monthly and yearly tickets are up from last year at this time.

The Council approved various sponsorships this year:

\$200 for the Mens softball team, Flying Platypi, with our Logo on the jerseys & a banner at games.

\$350 for the YUCC Hagg Lake Fishing Derby

\$500 for the Pink Phoenix Dragon Boat [Pink Phoenix Link](#) (we are a Silver Patron)

\$500 for the Sherwood Cruisin'

811 signs in holding pattern until the busy season subsides...

Other ideas to discuss were---MUCC banner, inserts for Home Builders Assoc., Little league and/or softball sponsorship.

P&E is still looking for smaller events. Suggestions include: County Fairs; Car Shows; Company Events; Oktoberfest; Street Fairs; Seasonal Ball Teams...please send any ideas to [Don Patterson \(click here\)](#).

811 CAMPAIGN:

Promote using "811" before using the 800 number. The 800 number is still in use as 811 is not available in some areas or the calls are routed to other states.

For details on the 811 Damage Prevention Bike go to: http://designbyjoyce.com/pauljr/811_bike.html

Local Home Depot's are promoting 811. If you do not see the 811 info, ask at the Contractors desk. In Oregon, the stores will carry Key Chains for all equipment and color code cards. The "Associates" who will be trained to answer questions will have patches on their aprons.

You may go to www.call811.com website for more information.

OLD BUSINESS:

RAA – To learn more about the RAA process, [click here](#). Hearings are at the PUC Building 3930 Fairview Industrial Rd SE Salem, OR 97302. Everyone is invited to attend, but you can only watch & not participate.

OUNC in the process of creating a handout to educate people on the process. Board approval is needed before they publish any new handout.

We all have to do our part to make sure everyone is safe. Additional talk about specific projects will be taking place outside of the meetings. If the parties are unable to resolve the marking/damage issues, then the next step would be the RAA process. Remember, the Council can help to mediate some of these issues, and are happy to help whenever we can. If you don't want to file an RAA but want to have some help, contact [Adam Franco](#) or [Troy Klein](#).

There will be a meeting on the OAR's in Salem on June 26th at Emery & Sons, 3831 Fairview Ind. Dr. to finalize all the changes. The books will then be ready to print.

MUCC (Adam) is working on a new combined logo. See the last page for the new logo...

ITIC training is available by request. Talk to Adam.

NEW BUSINESS:

Four of the UCC's will come together to put together a Contractors Training session to take place at NW Natural in Sherwood in September. The date is not set as yet.

REMINDER...

Send your current and/or upcoming projects to [Trevor Voris \(click here\)](#) or [Dawn Hickson \(click here\)](#) and they will be attached to the Minutes e-mail so everyone will know where projects are currently in progress or will soon be starting and your company can schedule accordingly. Clackamas River Water has a big project coming that will last for a number of months. It will be added to the e-mails when it is received.

Remember – CCC – Communicate, Coordinate, And Cooperate!

VOLUNTEERS NEEDED: As you have read, there are a variety of opportunities for all to volunteer and help spread the word of our Call before You Dig message. We are hoping to have our booth at more local events this coming year and we need your help to staff the booth for a couple of hours. These are great opportunities to network and get to know each other better. Take advantage of these opportunities and make new friends. If you are able, make yourself available to be on a committee or to volunteer on any of the upcoming projects and events these next couple of years. This is what this Council is all about and how we strive to be excellent!

Thank you for your time and for helping to spread the word and educate the public to Dig Safely!
