

# Malheur Utility Coordination Council Meeting Minutes

May 4, 2017

12PM

Bob's Steak N Spirits - Nyssa

MEETING CALLED BY	Kyle McCauley, President
TYPE OF MEETING	Monthly MUCC
NOTE TAKER	Dawn Eden
ATTENDEES	Dan Shepard, Dawn Eden, John Eden, Duane Petty, Terry Harris, Rick Uhlman and Kyle McCauley
DISCUSSION	<b>Topic: New Business</b>

## Cascade Natural Gas:

- The Annual Contractor Lunch was very successful. We had 100 people signed up at the door, and there was a lot of interest in the Idaho Power presentation.
- Kyle discussed the Highway 201 project – they are getting ready for the project, but they need to obtain a civil engineer first.
- Kyle is doing some checking at the fairgrounds regarding using a trailer with a TV, air conditioner and games for kids instead of renting a booth in the commercial building during the Malheur County Fair held August 1-5.
- CNG will also bring 811 Dig Line T-shirts to the next meeting.

## Ontario/CH2M:

- Upcoming project in Ontario – SW 5<sup>th</sup> Avenue in front of Four Rivers Cultural Center, replacing sewer, water and storm lines from SW 7<sup>th</sup> Street to the alley behind Kinney and Keele hardware store.
- Just a reminder that City of Ontario requires a right of way permit for working in the City right of way. If there is ever any question whether a right of way permit is needed, please call to verify. Or if any the utilities need a copy of their franchise agreement with the City of Ontario, or a copy of the City's Right of Way Ordinance or fee schedule, please contact Dan Shepard at 541-889-8572 at the CH2M Public Works Shop. Regardless if a right of way permit is required, you must provide traffic control if vehicular traffic is impeded, despite time duration.
- The N. Park Blvd project came up – this will only be acquisition of right of way for now. There is not a timeline for construction at this time.

## Owyhee Irrigation:

- They will be pushing water down Hunter for the pump at Verde and NW 4<sup>th</sup> Avenue.

## Vale:

- Terry talked about the construction getting ready to begin in Vale, estimated start is June 1.

## Nyssa:

- Duane said the Treatment Plant project is going to be rebid for the 3<sup>rd</sup> time.

NEXT MEETING:	<b>June 2017. Location and date TBA.</b>
