REVIEW THE MINUTES

Revision: In old business

Ziply includes in their contracts with sub-contractors that they must pothole and watch drill head go over. Should be watch drill over and back.

MOTION TO APPROVE MINUTES

Motion to approve with revision Martin Maginelli, 2nd from John Eck.

STAFF REPORTS

President's repost: Jason Williams on vacation so no word about the state conference. Meeting was held in Lincoln City.

Secretary / treasurer report: Nothing new to report

NEW BUSINESS (DISCUSSIONS, MOTIONS, VOTES)

Ziply had a 21-day outage at Shorepines caused by USIC not correctly locating lines.

There can be bleed over making it difficult to make clear locate determination.

Advanced locate stated there is a lack of trace wires they are finding while locating for the tribe.

Ziply requested that we reach out to have someone from the county roads department attend these meetings. As they are cleaning ditches, they are tearing up lines. No locates requested.

Question was asked if the City of Coos Bay has improved the ability of locaters to find sewer and water laterals, no but stated they are finding 1 ft off approximately.

North Bend states that unpermitted work being completed is creating difficulties in tracking.

OLD BUSINESS

USIC continues to be an issue, no one responds to requests to attend meetings, Jason Williams is working on this issue at the state level.

2" for sewer plant, Kruse & 5th put on hold.

UPCOMING PROJECTS

City of Coos Bay winding down projects till Spring

3rd & Highland sewer line, has locates. Water board calls day before project, need more lead time.

EFV work multiple locations NW Natural

North Bend is working on sewer expansion in front of Walmart and sewer repair behind Pony Village Mall.
